1. SENIOR CITIZENS' HOME :

We are running a Senior citizens' Home for the aged women who are above 60 years age. Total beneficiaries in this home are 25 members. We appointed required staff according to rules framed by Ministry of social justice and Empowerment, New Delhi. We appointed part time doctor, Part time Nurse, part time social worker and Yoga Therapist for their wellbeing . We appointed superintend, cook and Three Maltly task workers for smooth running of senior citizens home We are providing clothes, food, medical facilities to the beneficiaries.

2. VOCATIONAL TRAINING FOR PHYSICALLY HANDICAPPED:

We are running Vocational Training Center for Physically Handicapped persons in Computer, Type-writing and Tailoring. The abovescheme was running with the aid of Ministry of Social Justice and Empowerment, New Delhi. We are celebrating Disable day in every year.. The above programme was successfully running. Course completed students are doing some small scale jobs. They depend upon themselves. Some students areearning from self-employment..

3. CRECHE CENTERS:

We are running 9 crèche centers (8 BAJSS centers + 1 State Board) in various rural areas with the aid of Central social welfare Board, New Delhi and A.P. State Social welfare Board, Hyderabad. In these centers we are giving training to 25 children and we are also providing supplementary food to the children. For this purpose we appointed one teacher and one ayah for each crèche centre

4. PULSE POLIO:

We are conducting every year pulse polio programme in our area with the co-operation of members of Mahila Mandali and staff. In this year special Pulse Polio programs conducted. Surrounding peoples are utilized this program.

5. HEALTH CAMPS:

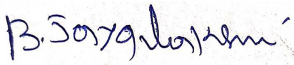

We are conducting health camps in rural areas with support of local area hospital doctors. In these camps we are providing free medicines to the patients.

6. SWATCH BHARATH PROGRAMME :

We are inspired by the call of our honorable Prime Minister Sri Narendra Modiji, actively participating in all our workplaces and project areas with the motive of maintaining cleanness. Our effects have already been praised by the local government officials.

7. Covid - 19 Awareness :

Our society very cautious and care full regarding the dreaded disease and minting the home a Carona Free environment. The aged people in the Old Age Home are successfully completed vaccination twice as per the norms of the government. More over our society adopted Parchuru and Inkollu Mandal and making the Public aware about the disease.
